Editorial.....

Every year we, the Odias, bring out Almanacs, the New Panjikas. It is a routine thing, besides being a sacramental affair. An Almanac is, for many of us, a guide, a beacon and has the same relevance as the constitution that Babasaheb fathered. And what an Almanac is to the people of this holy land of ours, so is this Alumni for you all – my dear, dear students.

Perhaps, I have stretched too far for the analogy. But still, there are loud similarities in some key aspects. An Alumni is a Register – a brief compilation of the valuable and useful data that come to you handy whenever needed. IMS has continued with the publication, thanks to the positive feedbacks coming from the target quarters.

My dear students, some pieces of advice on this occasion, even if they may sound like homilies or platitudes, would not be out of place. Remember – no matter how ultra-modern, how progressive, how radical the times are, there is no substitute for calm commitment, planned perseverance, and pursuits of knowledge. A student is a student till his or her studentship is over. The foremost ideology of an ideal student is the ideology of dogged pursuance of knowledge, information and wisdom. Before donning the mantle of a fiery ideologue, a student should and must complete his or her schooling in the mental ambience of non-agitation, non-violence and non-extremities.

A handwritten signature in black ink, appearing to read 'Upendra Padhi' with a stylized flourish at the end.

Prof. Upendra Padhi
Director, IMS
